

## BFS A Level Results 2020

We are delighted to be celebrating the significant successes of our Year 13 students. This year group were not able to show what they would have achieved in formal A Level and BTEC exams and we are very pleased that Ofqual and the government have allowed the 'Centre Assessed Grades' to be used for A Level qualifications, allowing all our students the right to go on to their chosen destinations and allowing them to benefit from their hard work, progress and educational excellence as they conclude their journey at secondary school.

Fifteen of our students achieved all A\* or A grades: Dan Brazil, Panna Fugedi, Sophie Headford, Archit Kulkami, Sophie Gordan, Pippa Stephenson, Jessica Hopkins, Hannah McKelvie-Warsop, Ella Taylor, Maddie Willaims, Bea Dodd, Sophie Stewart, Hannah Warren, Maisie Witherden and Fiona Gibbs.

These results ensure that the school maintains its position as one of the top non-selective Sixth Forms in the area for A Level results. The school also has continued its tradition of supporting students gaining places in some of the top ranked universities in the country with 3 students having achieved the grades required for them to meet their offers to study at Oxford or Cambridge.

Mrs King Headteacher said 'I am extremely proud of the achievements of this hardworking Year 13 cohort who deserves this success after such a challenging year. They have been a wonderful year group who made significant wider contributions to the life of their school. We are delighted with these A Level results and wish students every success in their next steps. We will miss them next year and we hope they will keep in touch'.

Mr Walker Assistant Headteacher and Head of Sixth Form said 'I am so pleased for our students. Considering the very unusual circumstances this year, the vast majority of students have gone on to their chosen destination and have achieved a truly fantastic set of results. We couldn't be happier for all our students and wish them all the very best of luck in their futures. We will miss them all immensely'.

Sixth Form students will be taking part in an adapted certificate celebration as soon as circumstances allow. We can't wait to finally be able to celebrate their success formally with them. Well done class of 2020!
